**Application of Payments.** We decide how to apply your payments, up to the Minimum Payment Due, to the balances on your Account. The Minimum Payment Due is generally applied first to fees, interest and principal in the balance with the lowest APR, then to fees, interest and principal in the balance with the next lowest APR, and so on, until the full Minimum Payment Due has been applied. If you pay more than the Minimum Payment Due, we'll apply the amount over the Minimum Payment Due first to the balance with the highest APR, then to the balance with the next highest APR, and so on, except as otherwise required by applicable law.

This amends your Card Agreement. Please keep this information for future reference.

We are updating our AutoPay terms and conditions. Effective 07/21/24, you will be able to edit or cancel a scheduled payment up to 5 p.m. ET of the Business Day prior to the day of your scheduled AutoPay payment by calling the telephone number on the back of your card or visiting [autopay.citicards.com](http://autopay.citicards.com).

## About Interest Charges

**How We Calculate Interest.** We calculate it separately for each balance shown in the Interest Charge Calculation table. We use the **daily balance method (including new transactions)**. We figure the interest charge by multiplying the daily balance by its daily periodic rate each day in the billing period. To get a daily balance, we take the balance at the end of the previous day, add the interest on the previous day's balance and new charges, subtract new credits or payments, and make adjustments. The Balance Subject to Interest Rate is the average of the daily balances.

**How to Avoid Paying Interest on Purchases.** Your due date is at least 23 days after the close of each billing cycle. We will not charge you interest on purchases if you pay your monthly Citi Flex Plan Payment Amount plus your entire balance, excluding any Citi Flex Plan balances, by the due date each month. If you do not pay your monthly Citi Flex Plan Payment plus your entire balance, excluding any Citi Flex Plan balances, by the due date each month, you will pay interest on your purchases from the date they're posted to your account. We will begin charging interest on cash advances, balance transfers, and Citi Flex Loans on the transaction date. We will begin charging interest on a Citi Flex Pay balance subject to an APR at the start of the billing cycle following the billing cycle during which you created the Citi Flex Pay.

## Your Rights

### What To Do If You Find A Mistake On Your Statement.

If you think there is an error on your statement, write to us at the address for billing inquiries and correspondence shown on the front of your statement. In your letter, give us the following information:

- Account information: Your name and account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

## Your Rights If You Are Dissatisfied With Your Credit Card Purchases.

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these is necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us online or in writing at the Customer Service address shown on front of statement.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.
