## What happens next...

### Scheduling your installation

If you've already scheduled your installation with your Sales Rep, you'll receive an email confirming when your technician will arrive. If you still need to schedule your installation, your Sales Rep will help you make your appointment.

Enroll in Auto Pay and Paperless Billing

Take advantage of the convenience of Auto Pay and Paperless Billing. After you sign in to My Account, set up Auto Pay for recurring monthly bill payments. Then, turn on Paperless Billing to access up to 24 months of digital statements.

---

### Link your accounts today

Your email address is associated with another Comcast Business account. Linking account is easy and allows you to access and manage multiple accounts with a single sign-in to My Account. Sign in to get started.
