We filed a state tax lien against this corporation with the county recorder in SANTA CLARA for failure to pay California corporation franchise or income tax (authorized by Government Code Section 7171). The lien attaches to all real property now owned or later acquired by the corporation.

A lien is a public record and may seriously damage the corporation's credit. If the balance due is not paid immediately, we may take additional collection actions, including contacting third parties without further notice.

The balance due includes recording fees. When the balance is paid, we will ask the county recorder to release the lien.

Additional penalties and interest accrue at the rate set by law from the notice date to the date we receive payment. However, no additional interest will accrue if we receive full payment within 15 days from the date of this notice.

Please make your check or money order payable to Franchise Tax Board and mail it to:

To ensure proper credit to your account, please write your corporation name and number on the front of your payment, and return it with the top part of this notice. If you write to us, please include the name, address, and daytime telephone number of an authorized person whom we may contact if we need additional information regarding the corporation.

We can release the lien when the tax liability (including penalties and accrued interest) for the taxable year(s) covered by the lien is satisfied. We will record a certificate of release in the office of the county recorder where the notice of state tax lien is recorded no later than 40 days after the liability is satisfied. If payment is made by check, the 40-day period does not commence until the check is honored.

Please note, if we file a lien in error, we will mail a Franchise Tax Board Notice of Error to the credit reporting companies and to the county recorder where the lien was filed.
