NOTICE TO FILE MISSING PARTS OF PROVISIONAL APPLICATION

FILED UNDER 37 CFR 1.53(c)

Filing Date Granted

An application number and filing date have been accorded to this provisional application. The items indicated below, however, are missing. Applicant is given TWO MONTHS from the date of this Notice within which to file all required items and pay any fees required below to avoid abandonment. Extensions of time may be obtained by filing a petition accompanied by the extension fee under the provisions of 37 CFR 1.136(e).

- The statutory basic filing fee is insufficient.
- Surcharge as set forth in 37 CFR 1.16(g) must be submitted.
- The surcharge is due for late submission of filing fee or cover sheet.

SUMMARY OF FEES DUE:

The fee(s) required within TWO MONTHS from the date of this Notice to avoid abandonment is/are itemized below. No entity status discount is in effect. If applicant is qualified for small entity status, a written assertion of small entity status must be submitted to establish small entity status. (See 37 CFR 1.27). If applicant is qualified for micro entity status, an acceptable Certification of Micro Entity Status must be submitted to establish micro entity status. (See 37 CFR 1.29 and forms PTO/SB/15A and 15B.)

- \$ 260 basic filing fee.
- \$ 60 surcharge.
- \$(65) previous unapplied payment amount.
- \$ 255 TOTAL FEE BALANCE DUE.

Items Required To Avoid Processing Delays:

Applicant is notified that the above-identified application contains the deficiencies noted below. No period for reply is set forth in this notice for correction of these deficiencies. However, if a deficiency relates to the inventor's oath or declaration, the applicant must file an oath or declaration in compliance with 37 CFR 1.63, or a substitute statement in compliance with 37 CFR 1.64, executed by or with respect to each actual inventor no later than the expiration of the time period set in the "Notice of Allowability" to avoid abandonment. See 37 CFR 1.53(f).

This application, which was filed with an indication of micro entity status, fails to meet the requirements for establishing micro entity status because:

- The certification of micro entity status is unsigned. A certification of micro entity status must be signed by an authorized party under 37 CFR 1.33(b). (Authorized parties include a registered attorney or agent, the sole

FORM ATJAZZ 1 month extension

inventor identified as the applicant, or all the joint inventors identified as the applicant except that one joint inventor applicant may sign if appointed to prosecute the application by all the other joint inventors.)

If micro entity status is established in reply to this notice by filing an acceptable Certification of Micro Entity Status, the fees itemized in the SUMMARY OF FEES DUE section of this Notice will be reduced to reflect the 75% micro entity discount, and any previous payment amount may be applied to the discounted fees.

If applicant is not entitled to micro entity status under 37 CFR 1.29, applicant may still qualify for a 50% reduction of fees if small entity status can be established under 37 CFR 1.27.

Replies must be received in the USPTO within the set time period or must include a proper Certificate of Mailing or Transmission under 37 CFR 1.8 with a mailing or transmission date within the set time period. For more information and a suggested format, see Form PTO/SB/92 and MPEP 512.
