

## Broad, Curving Streets Quiet Cul-de-sac Lots Make FAIRVIEW a Model of Site Planning

This carefully planned community is a perfect choice for families with children. There is no dangerous through traffic to mar Fairview's beautiful streets, and your home is within easy walking distance of Powell School. Fairview is in the Palo Alto-Mountain View area, noted for its fine schools, stores and shopping centers, and downtown Mountain View is less than a mile away.

**3 BEDROOMS • 2 BATHS**  
**\$13,950**

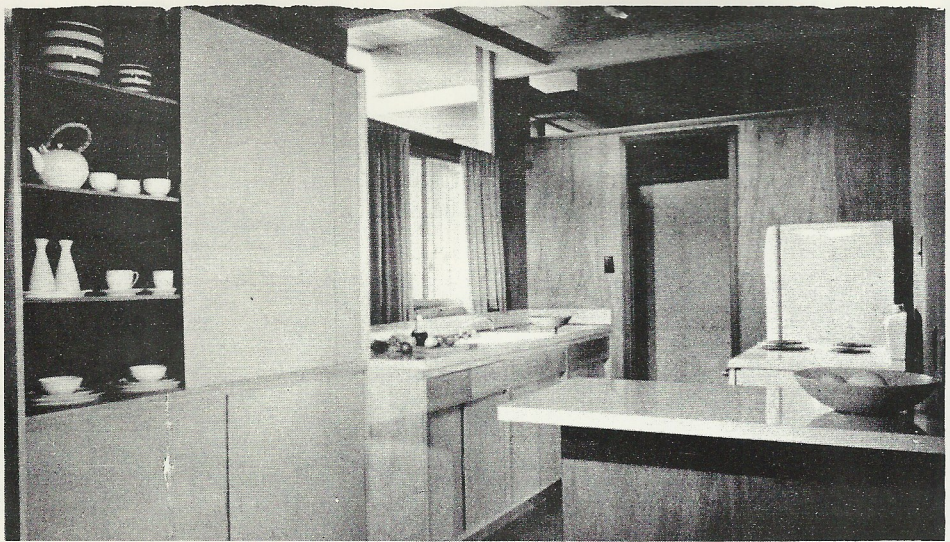

For larger lots (shown in gray on separate site map) add \$550.

### HOW TO REACH FAIRVIEW

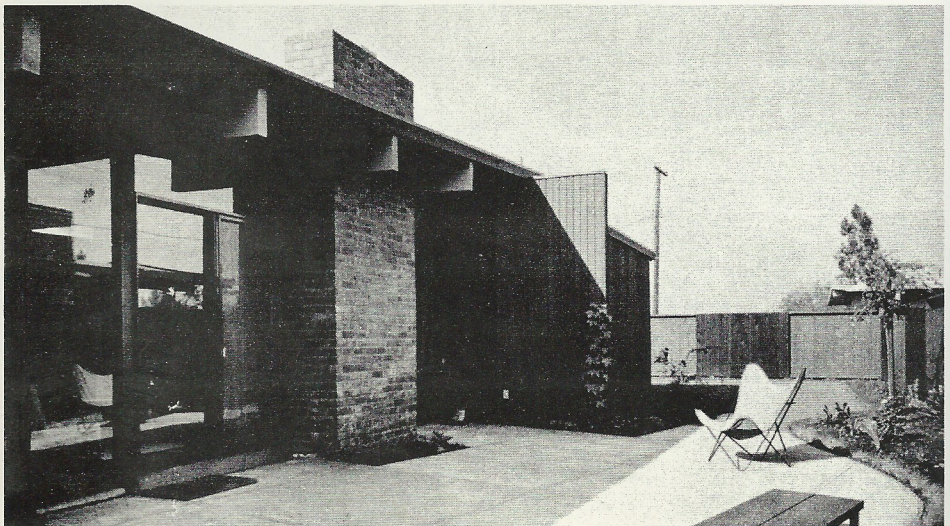

From Bayshore Highway follow San Antonio Road to Middlefield Road, then south on Middlefield one block. Watch for signs. →

2001 El Camino Real • DAvenport 3-0217

**A DREAM KITCHEN COME TRUE** is yours in any Fairview Eichler Home. Snack bar makes it easier to serve dining area, creates extra counter space too. With window over sink you can supervise children's outdoor play from inside. Colorful Micarta counter tops wipe clean, are tarnish and scratch resistant.

**OUTDOOR LIVING STARTS HERE**, in your own secluded patio, directly accessible from living room. Note how window walls and Arcadia sliding glass door "tie together" indoor-outdoor areas. Wide over-hang controls sun. Most important of all, Fairview's warm evenings make it possible to use your patio often.
