## Important messages Change to billing cycle

Due to regulatory changes, we are required to send a detailed statement for all mortgage and home equity loans to match your billing cycle. Starting this month, you will begin receiving your billing statement based on your payment frequency rather than quarterly if applicable.

This is not a bill, our records indicate your payments are scheduled to withdraw automatically. All funds are applied when sufficient funds have accumulated to make a full monthly payment as outlined in your mortgage note. If you are paying off your loan, please contact us at least five (5) days prior to your next withdrawal date.
