Includes features of [Continuous Service Guarantee](#) ***Continuous Service Guarantee**

Here's how it works: By submitting my order, I agree to the automatically renewing continuous service subscription(s) or membership(s) in my cart that will continue until I cancel. I understand that my credit/debit card or 3rd party payment account provided will be charged by Hearst (or one of its titles) on a recurring basis at the end of each term at the rate then in effect for each subscription or membership ordered unless I cancel. I may cancel at any time before my subscription ends by contacting **Customer Service**, but my payment is non-refundable, and my access and delivery of remaining print issues will continue until the end of my current subscription after which the cancellation will take effect and no further charges will be made. For print only subscriptions, if I cancel I will receive a refund on any undelivered issues. Updated credit card information is periodically received to avoid an interruption in service. Customers who reside in Vermont, Florida and Canada may not always be enrolled in continuous service but can still order.
