Dear Taxpayer:

You may be entitled to a refund if you file your tax return now.

According to our records, you have not filed a tax return for 2011. Based on information we have, we believe you may receive a tax refund if you file your 2011 tax return now.

If you need forms, schedules or publications to file your 2011 tax return, you may get them by visiting the IRS website at [www.irs.gov](http://www.irs.gov) or calling 1-800-TAX-FORM (1-800-829-3676).

Important! By law, you must file your tax return within three years of the original due date of the return (generally April 15) to claim your refund. If you file your tax return later than three years after the original due date of the return, we will process your return but we cannot send you a refund or credit you for any overpayment.

Sincerely yours,

A handwritten signature in cursive script, reading "Denise A. Hutchinson".
