Dear Andrew,

At Hagerty, we're all about helping you get out and drive. Our priority is to fuel automotive culture, and that starts with protecting the vehicles you love. An insurance policy for your 1979 PORSCHE 911 SC 3.0, underwritten by Essentia Insurance Company, is just a few steps away. But it doesn't stop there. Being a part of the Hagerty community unlocks more ways for you to drive your automotive passion further through membership in Hagerty Drivers Club®, access to curated content, events, forums, and so much more.

We look forward to seeing you on the road,
Your friends at Hagerty

Member Highlights

Coverage customized for the cars you love and how you use them.

Guaranteed Value®

We use our industry-leading tools to help you determine the true value of your classic, then create an agreed value policy that guarantees you will be paid every cent of your car's insured value in the event of a covered total loss.*

Hagerty Valuation Tools®

Have valuation questions? Give us a call or check out Hagerty Valuation Tools at hagerty.com/valuation-tools. It's the best place for easily tracking vehicle values.

Unmatched claims handling

Every time you call, you'll work with claims adjusters and parts specialists who love cars just as much as you do and know that your vehicle requires specialized labor that comes at a higher cost, which your policy covers.

If you have a claim, you're free to work with any repair shop you choose - or do the work yourself - and you'll be happily reimbursed. That way you always know the repairs are done right with original parts when available.

Broad coverage area

Your policy provides coverage should you have a claim occur throughout the U.S. and also in Canada.

Flexible usage

You're not limited to parades and car shows. Drive your car for the fun of it. That's what it was made for.

Hagerty Drivers Club® membership
