

Return Authorization Number ..... Original Invoice # .....

Your Company Name.....

Please be sure to package your return for shipping as shown in illustration below. Use the checklist that follows to ensure safe delivery.

1. **Do not return any lugnuts/bolts in a box containing a wheel.** AMG bolts must be returned in a separate box. All other lugs/bolts can be discarded.  YES
2. Secure center cap on wheel or in a separate package, tape securely.  YES
3. Place foam sheet over face of wheel to protect wheel from cardboard chafing.  YES
4. Wheel must be double-boxed (2 boxes), secured and well protected. Any styrofoam packing received with shipment must be reused in same way. Please call for new packaging material if needed.  YES
5. If two wheels are in one box, place good protective cardboard between wheels.  YES
6. Remove any staples that could scratch the wheel.  YES
7. Boxes must be undamaged and flaps should be secured.  YES
8. Obtain a Return Authorization Number (RA#) from our Customer Service Department. Write RA# on outside of outer box. Attach clearly addressed shipping labels and/or UPS call tag(s) to each package.  YES
9. Place copy of RA in box.  YES
10. Insure package with shipper.  YES

**UPS Insurance Does Not Cover Damage Due To Improperly Packaged Wheels.**

Please include a copy of this Return Authorization Form with your shipment. Keep the original for your files. If you have any questions or need new packaging material please call CUSTOMER SERVICE at (800) 428-8355, extension 360.
