

Acknowledgement of HP Code of Business Conduct Training

You are being placed on assignment with our client HP, Inc. While on this assignment, you are being entrusted with certain HP information, access to systems and facilities, to perform your work duties. You therefore, have an obligation to comply with HP policies and procedures, including but not limited to the HP Contingent Worker Code of Conduct.

You will be required to take the HP Contingent Code of Conduct Training within your first two weeks of assignment. We are including a copy of the training in your onboarding materials for reference.

By signing below, you agree to complete the HP Contingent Worker Code of Conduct Training within the first two weeks of your assignment with HP, Inc. You further understand, that failure to follow HP policies may subject you to discipline up to and including immediate termination.
