Dear Valued Customer,

Thank you for your order from 3B Tech! We want to assure your satisfaction on this and every order you place with us. Please [print this order confirmation](#) for your records.

Most orders are processed and shipped on the same or next business day. Please allow five business days or more for assembly and testing of systems, barebones, and motherboard combos. Packages shipped via our Free Ground shipping usually take one to four business days in transit depending on your location. **Our automated system will e-mail you with tracking information the evening your package ships.**

As an added BONUS we are currently offering an **EXTENDED 30 DAY REPLACEMENT WARRANTY** on top of our existing standard dealer warranty period to anyone who submits **FEEDBACK** for our company on their website ordering experience. Please visit **ONE** of the following links to pre-register your e-mail address. Seven days later you will be able to leave your feedback. **IMPORTANT:** This waiting period makes sure you received your product in good working condition, and that customer service has a chance to help you in the unlikely event there is a problem. Customers who leave feedback before seven days, or more than 14 days after their purchase will NOT be eligible for this promotion.
