Avnet Embedded Service Offerings

CHASSIS CUSTOMIZATION

- Design Services (Solid Edge/CAD, 2D/3D Drawing)
- Prototyping (Sheet Metal/Plastic)
- Thermal Testing
- Paint/Silk Screening

FINANCIAL SERVICES

- Credit Cards
- Custom Billing
- E-Billing
- Flooring Terms
- Leasing
- Open Credit Terms
- Receivables Services Program

INTERNATIONAL OPERATIONS

- Global Logistics
- International Integration

IT IMPLEMENTATION SERVICES

- Installation of Servers, Storage and Software
- Configuration of Servers, Storage and Software

NEW PRODUCT INTRODUCTION

- Program Management

SOFTWARE SERVICES

- Application Development
- Board Support Packages
- Design Review
- Image Creation
- Training (Windows Embedded)

SUPPLY CHAIN MANAGEMENT

- Inventory Management
- Material Forecasting
- Aggregation of Customer Demand

ENGINEERING

- Systems Requirement Engineering and Analysis
- Configuration Management
- Life Cycle Management
- Roadmap Planning
- Prototype and First Article Builds
- Bills of Materials Development
- Product Safety Testing and Certification

FLAT PANEL CUSTOMIZATION

- Touchscreen Integration
- Optical Bonding
- Passive Enhancements
- Anti-Reflective/Anti-Glare
- Brightness Enhancement Film
- Polarizer-Linear/Circular
- Active Enhancements
- CCFL High Bright
- LED Backlighting
- Open Frame Solutions
- Digital Signage
- Conductive Coatings
- EMI/RFI Shields
- Controller Solutions
- Low Cost Controller Kits

REGULATORY COMPLIANCE

- UL, CE, EMC, FCC
- NEBS
- Medical (60601-1)(FDA 510K)
- Global Certifications

WAREHOUSING SERVICES

- Bonded/Reserved Inventory
- Customer-Owned Inventory
- Consignment
- Extended Life Cycle Management
- In-Plant Stores

ENVIRONMENTAL TESTING

- HALT, HASS, ESS (Temperature and Humidity)
- MIL-STD-810
- Packaging Drop Test
- Shock and Vibration
- Thermal Analysis

INTEGRATION

- Intel Architecture Channel Assembly
- Bios/Firmware Updates
- UNIX Server Channel Assembly
- Testing to SDI Standards
- AIX Software Loads
- Solution Integration
- Cross-Vendor Platforms
- FTP Access for Image Downloads
- Remote Connectivity/VPN Access
- OEM/Custom and Embedded Integration
- Hardware/Software Integration
- System/Device Testing
- Asset Tagging/Serialization
- Custom Labeling
- Advanced Integration Tracking Systems
- Return/Repair Services
- Customer Site Specific Capability
- Kitting Services
- Custom Packaging

WARRANTY

- Extended Warranty
- Global Advanced Replacement
- Installation
- OEM Spares Program
- Refurbishment Program
- Global On-Site Maintenance Program

Accelerating Your Success™
